## **MOAB BREWERY**

### **Pilsner 5.00**

As with so many good things in this world, simplicity is the key to Moab Brewery's Pilsner. Lightly kilned malted barley with spicy Noble Hops Tettnanger and Saaz define the aroma and flavor of this style. Moab spring water gives this Pilsner a light and crisp finish. An easy-drinking beer.

### **Dead Horse Amber Ale 5.00**

Deadhorse Amber Ale is named after the scenic overlook near Canyonlands National Park. A traditional English mild ale, with a well-balanced malt-to-hop ratio. The perfect beverage to compliment all foods

### **Rocket bite Lager 5.00**

Our steamer beer is a unique 100% style lager. Brewed with a special strain of lager yeast that works better at warmer temperatures. This method dates to the late 1800s, when refrigeration was a greater luxury. Amber in color, medium-bodied with a forward malty character. It is mildly fruity with assertive hop bitterness and a crisp clean finish

### **JOHNNHY AMERICAN IPA 5.00**

An American-style IPA, golden in color with light malt hues and strong hop characteristics. Its vibrant citrus aromas and bitterness are created by four bold American hops. Our dry hopping gives this beer its distinct and aggressive hop finish.

### **Juicy Hazy IPA 5.00**

We use juicy, tropical hops like Citra, Mosaic, Sabro, and Azacca to develop aromas and flavors of juicy pineapple, mango, and stone fruit. The malt is grist heavy with wheat and oats which create a golden color and medium body, followed by a crisp tropical finish. Kick back and find your own tropical beach. Get Juicy!

### **Fruity Hazy IPA 5.00**

Agent Johnny FrUtah is currently laying low in Utah, taking a break from robbing banks and surfing big waves. His love for the beach has not subsided, so we wanted to bring the beach to Utah. We picked a Hazy Pale Ale with Pilsen malt and citrus hops as the backbone to highlight a tropical flavor invasion of Mango and berries. Like Johnny says, "It's Utah, get me two!" Now sit back, relax and enjoy the fruit haze.
